

CAPSTONE LECTURE 3:
RETROSPECTIVES & SPRINT PLANNING
BILL LABOON

RETROSPECTIVE / SPRINT REVIEW

- Please discuss:
 - What went well with this sprint?
 - What did not go well this sprint?
 - What can we do better next sprint?
 - How can we do it better?

NOW DETERMINE
A NEW
SCRUM MASTER

SPRINT PLANNING

- Look at Product Backlog
- Determine which user stories can get accomplished in next sprint
- Determine who will work on which user stories
- Write this down! You may want to add a file in the repository keeping track of this.

If you have questions, please see me.

Otherwise, you are free to go when you are finished.
